STATE ATHLETICS SUCCESS
Once again our relay team performed exceptionally well at the State Athletics Carnival. They secured 2nd place out of a field of nine teams from a variety of small schools from around the state. From all reports, our students displayed wonderful sportsmanship and were always ready to encourage and commend the other runners. Well done, Sarah, Ned, Jack and Cody! We are extremely proud of you and your achievements. Many thanks to all the parents for making this opportunity possible. I always marvel at the degree to which parents will go to support their children and their aspirations.

GRANDPARENTS’ & SPECIAL FRIENDS’ DAY

1:00PM TO 3:00PM

Don’t forget that tomorrow is Grandparent and Special Friend’s Day at Ellerston Public School. We are looking forward to a good roll up of grandparents, parents and family friends. For any students who don’t have family and friends attending, we ask that other family groups might adopt another student for the afternoon and include them in the activities.

PP6 Relay Team Report
On the 15th of October Ned, Sarah, Jack and Cody competed in the PP6 Relay at State. We won our heat and also qualified fastest. Soon after we ran in the semi-finals. Once again, we won our heat but this time we qualified 2nd fastest. In the final we placed 2nd. Balatta came 1st and Hay School of the Air placed 3rd. We all had so much fun and would like to do it again.

A very exciting and busy week ahead with both Grandparents’/Special Friends’ Day and our School Camp.
I would also like to send the Moores family a big Bon Voyage as they head off to America. We will miss you Chloe but hope you have a lovely time and make some fabulous family memories.

NEW SANDPIT TOYS -
A big thankyou to the Ellerston Public School P&C and Mrs Mitchell for their very kind donations enabling us to upgrade and extend our collection of sandpit toys.

An incredible amount of excitement and pleasure was had by all last Thursday as 16 of our students huddled into the sandpit and enjoyed the shade on a very warm day.

Your hard work towards such fabulous improvements to our school is very much appreciated.
