Presentation Night

We have been working hard on our Presentation Night items and we are looking forward to sharing them with you this Friday evening. Thank you to all those parents who have also been helping their children memorise words. With less than a week to go, it is important that we all continue to work together to prepare the children as best we can.

Please have a simple ‘rap’ costume (Caps, sunglasses, track pants, T-shirts and joggers are suitable items) for your child at School for our Dress Rehearsal, this Wednesday 2nd of December. The children that have major roles in the play will also need to get their costume ready for the dress rehearsal on Wednesday, 2nd December.

Presentation Night Supper:
There has been a change of plans for the P&C provision of supper for our Presentation Night. There will now be BBQ steaks and softdrinks provided by the P&C. This will be served along with nibbles, salads and desserts provided by our wonderful School Families. It would be greatly appreciated if each family could bring along a salad, and either some nibbles or a dessert. There will be a new list in the school kitchen for families to fill in. Please get in contact with Nicola on 65407250 if you have any questions or need more details.

From the Little Room.........Week 9

Well we have had a lovely start to swimming this morning. It was great to see everyone with big smiles and fabulous attitudes. This week in the little room we are kicking off our Christmas celebrations and looking back over what has been a fantastic year of growth and development for all. It is hard to imagine that is nearly over!
We are looking forward to a great presentation night this Friday and hope that the festive season is a fabulous one for all.

P&C NEWS

The P&C had an amazing weekend with our first catering of the Belmont Campdraft canteen. Our small school really relies on our P&C support and those involved had great weekend toiling and laughing in a tin shed. Thank you to the Ellerston Sports Committee for the opportunity. Thank you also for the support of our families and the wider community- the generous donations of food, time and support were amazing. Mention also must be made of our fearless leader Kim Taylor, you did a super super job. Our efforts meant a fundraising profit of $4178.10- a mammoth effort, but a great result. Well done to all involved.

Also, please don’t forget to fill in the list in the School Kitchen with the new arrangement for the presentation night supper. See page one for details.

THANKYOU!!!
