All parents are asked to assist on the canteen. Ellerston time slot is from 12:45pm – 2:00pm. Thank you for your continued assistance.

Mr Gordon Halliday and Mr Phil McGuirk are coming to school on the last Friday of this term to play golf with the Year 3-6 students. The children have always enjoyed Mr Halliday and Mr McGuirk coming to the school. I can’t think of a better way of winding up the term then with some time playing golf.

Personal Hygiene

Research has revealed that 9 out of 10 children wipe their noses on their hands or clothing; and that colds and flu cause children to miss an average of six days of school annually. The school has tissues in each classroom, however, it would be appreciated if you could supply your child with their own tissues and show them how to use them.

At school we will be teaching the children the ‘Catch it, Bin it, Kill it’ method of dealing with coughs, sneezes and runny noses. Hopefully, our students will become more aware of how germs can spread from person to person and how good hygiene lowers the rate of infection.

Since student absences have already been quite high this cold and flu season, we hope to take this positive initiative to help combat these pesky cold and flu germs.

Rugby and Netball Fun Day

On Tuesday, 16th June schools from across the Upper Hunter and beyond will converge on Bill Rose Complex for a day of rugby and netball. All Year 3-6 students are welcome to attend. Mrs Teague from Belltrees Public School is organising some teams from the small schools in our area. An information/permission note will be sent out this week. Please complete the note and return it to the office if you would like your child to take part.

Colin Leayr
